

LUNCH AND LEARN AT AEGIS LIVING BALLARD

Discover Options to Manage Parkinson's with NWPf Expert

Join us at Aegis Living Ballard with Dr. Ryder Gwinn, a Neurosurgeon at Eastside Neuroscience Institute, as he discusses the management of Parkinson's through surgical treatment options such as Deep Brain Stimulations. All are welcome, and lunch will be provided.

Event Location:

Aegis Living Ballard
949 NW Market St
Seattle, WA 98107
(206) 204-8000

DR. RYDER GWINN, MD

Dr. Ryder Gwinn, a fellowship-trained and board-certified neurosurgeon, combines cutting-edge and traditional techniques. He specializes in neuromodulation procedures like deep brain and vagus nerve stimulation. Dr. Gwinn has helped develop minimally invasive treatments for epilepsy and movement disorders, including Responsive Neurostimulation and MR-guided focused ultrasound.
