

AEGIS LIVING LAKE UNION PRESENTS

Discover Options to Manage Parkinson's with a Local Expert

Join us for an insightful lecture by Dr. Pinky Agarwal, a renowned movement disorder specialist and neurologist at Evergreen Health's Booth Gardner Center.

Dr. Agarwal, board-certified in neurology and fellowship-trained in movement disorders from The Neurological Institute at Columbia-Presbyterian Medical Center, will provide a comprehensive overview of Parkinson's Disease (PD).

This event is perfect for:

- Individuals recently diagnosed or living with PD
- Family members and caregivers of a loved one with PD
- Anyone seeking in-depth knowledge about PD

Wednesday, July 31st | 3:00pm

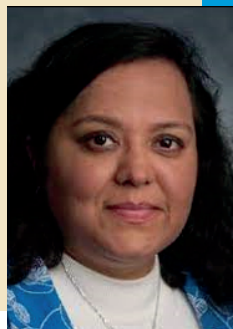

Aegis Living Lake Union
1936 Eastlake Ave East
Seattle, WA 98102
(206) 816-3333

Refreshments will be provided.

DR. PINKY AGARWAL, MD, FAAN

Dr. Pinky Agarwal is a board-certified neurologist and movement disorder specialist with over 20 years of experience, currently serving as a Professor of Neurology at the University of Washington. Her expertise focuses on Parkinson's Disease, essential tremor, and dystonia, making her a leading authority in these areas. Dr. Agarwal has played key roles in more than 100 clinical trials, demonstrating her commitment to advancing neurological care through research. She practices at Evergreen Health's Booth Gardner Center and is currently accepting new patients.
